The Honorable Kay Granger Charwoman Committee on Appropriations H-305, the Capitol Washington, D.C. 20515 The Honorable Rosa DeLauro Ranking Member Committee on Appropriations 1036 Longworth HOB Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the **Arlington Heights Bike Path** in fiscal year 2024. The entity to receive funding for this project is the **Village of Arlington Heights** located at **33 S. Arlington Heights Rd, Arlington Heights Illinois 60004**. The funding would be used to launch for a multi-use path connecting the Palatine Trail to the west and Prospect Heights Bike Path to the east, utilizing the ComEd right-of-way through the Village limits of Arlington Heights.

The project is an appropriate use of taxpayer funds because the off-street ComEd multi-use path will create a safe, desirable, and accessible route for people to walk, roll, and ride for both business and recreational needs. The ComEd multi-use path will provide greater regional connectivity, spur economic activity, and have environmental, health, and safety benefits.

The project has a Federal nexus because the funding provided is for purposes authorized by Chapter 23 USC 133(b): Bike/Pedestrian.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Mike Quigley

Member of Congress
